

PACE/EMS Research Day

Thursday, September 19th, 2024

Dalhousie University, Department of Emergency Medicine, Division of EMS

has partnered with the

**McNally Project for Paramedicine Research,
and the Paramedic Association of Canada (PAC)**

to present a

**PAC Expo Preconference
Research Day**

Call for Abstracts

You are invited to submit abstracts **NO LATER THAN**
Midnight on July 25th, 2024

Only Completed EMS/Paramedic Services Research Projects will be considered for presentation.

Please submit abstracts (Word Format only) to: ems@dal.ca

Each abstract must contain:

1. Introduction
2. Methods
3. Results
4. Conclusions

- Only EMS relevant topics will be considered, due to the volume of applications.
- Abstracts must be **typed (using 12-point Times New Roman font), single-spaced.**
- The maximum length for abstracts is 300 words and **text should be left-justified.**
- Abbreviations should be kept to a minimum and defined when first used.
- Paramedic presenters will be given certificates for re-licensure credit.

Any questions or concerns? Please Email ems@dal.ca
