

Dr. Ryan Henneberry

Ryan is a full time Emergency Medicine physician who splits his clinical time between the Halifax Infirmity(HI) and IWK Emergency Departments. He is the Emergency Ultrasound Director for the HI and a former Chair of the Canadian Association of Emergency Physician's(CAEP) Emergency Ultrasound Committee where he was the lead author for CAEP's Position Statement on Point of Care Ultrasound in 2012. Ryan is also the Director of *ECCU Halifax* and has taught on several PoCUS courses throughout Canada and Africa. He has over 20 PoCUS related publications and is an Associate Professor of Medicine at Dalhousie University.

Ryan is also a master instructor with *CPoCUS* and a part-time sports medicine specialist.
