2025 DR. JOHN ROSS DISTINGUISHED SCHOLAR**

**Dr. Kerstin de Wit**

Tier 1 Canada Research Chair in Emergency Venous Thromboembolism  
Professor in Emergency Medicine  
Clinician Investigator Program Director  
Research Director for the Department of Emergency Medicine  
Queen's University, Kingston, Ontario

Kerstin de Wit holds a Tier 1 Canada Research Chair in Emergency Venous Thromboembolism and is a Professor in the Department of Emergency Medicine at Queen's University. She works clinically as an emergency physician and thrombosis physician at Kingston Health Sciences.

Dr de Wit trained in internal medicine, emergency medicine and research in the UK. She completed a Thrombosis Fellowship in Ottawa in 2013. Since then, she has worked in both emergency medicine and thrombosis. She leads a research program which focuses on the diagnosis of bleeding and clotting disorders in the emergency department and is funded by CIHR.

Dr de Wit is the Queen's University Clinician Investigator Program Director, and the Research Director for the Department of Emergency Medicine.

This event will take place on Wednesday, May 14<sup>th</sup> in person with an option to virtually!
